## TELEVISION & OTT

**Nextv TV** events unite the leaders in pay TV, telecom operators, broadcasters, OTT platforms, technology providers and the entire entertainment industry to discuss the future and the universal challenges and solutions of the OTT sector. Look beyond the customary horizon and interact with global market leaders alongside Dataxis to address the big question, "What Next?"

## ADVERTISING

**Nextv Ad** seeks to create opportunities where brands, media agencies, operators and technology providers exchange ideas for a more efficient usage of the TV and OTT platforms as an advertising medium. Team up with Dataxis to keep up with recent developments and explore the dichotomy of programmatic, addressable and TV advertising strategies.

## SPORTS

Learn about cutting-edge trends and emerging technology breakthroughs as key players from sports leagues, clubs, rights holders, pay-TV, telecoms, broadcasters, OTT platforms & the wider media and entertainment sector discuss their perspectives. **Nextv Sports** provides an in-depth understanding of the OTT and TV broadcasting challenges in the sports industry.

## BROADBAND

The upcoming **Next Giga Connect** conferences emphasises on technological shifts in the telco and media space. Addressing the future of high-speed connectivity, prospects of fixed 5G, satellite broadband, gigabit access and smart WIFI will be at the crux of Dataxis' focus.
